Relinquish Control by Billy Graham

This is God, our God forever and ever; he will be our guide even to death. Psalm 48:14

The story is told of a little girl whose father was an airline pilot. As they crossed the Atlantic, a storm came up. The flight attendant awakened the little girl and told her to fasten her seat belt because they were in some turbulent weather. The little girl opened her eyes, saw the lightening flashing around the plane, and asked, "Is Daddy at the controls?" The flight attendant replied, "Yes, your father is in the cockpit." The little girl smiled, closed her eyes, and went back to sleep.

God is at the controls of our lives. Or, rather, He wants to be at the controls. But He gives us the freedom to pilot ourselves as we wish. The problem is that we often crack up, much as we could expect to do if we took the controls of an airplane we had not been taught to fly.

God know us. He knows our strengths and weaknesses, and He knows what is best for us. If we will only relinquish the control of our lives to Him, He will see us safely home.

We hope to see you at these upcoming events!
