Continuing Your Walk for a Lifetime

Michael Haney – Newsletter and Web Site Chairperson

Have you ever longed to re-experience the love, joy and grace of your Emmaus Walk? Although you can only go on your Walk once, there are many ways to continue the experience. Through serving behind the scenes on a walk, serving on a team, or participating in a share group you can regain many of the same feelings you had on your weekend.

Service is one of those amazing dichotomies of life – at first glance it appears that you are giving of yourself, which you are, but in the end you often get back so much more. There are many ways to serve behind the scenes on a walk. You can serve in the kitchen cooking and serving food at the wonderful meals that are provided for the pilgrims. You can work with the Logistics Chairperson to prepare the church for the pilgrims on Thursday night or clean up on Sunday morning. You can also help with childcare at gatherings, candlelight, or closings so that parents can attend and know that their children are cared for. I am sure you will find that you receive much more than you give. Just knowing that you have helped make possible the same walk experience that you enjoyed is an incredible blessing.

Participating on the team for a Walk helps you understand the incredible amount of work that goes into a walk, while at the same time serving and enjoying seeing the pilgrims bathe in the joy and love of the weekend. Although being on a team is all about service, you cannot help but feel some of the same warmth that you felt on your own weekend. It is amazing to see God working in the pilgrims and to see how their hearts start changing before your very eyes.

Finally, the most consistent way you can continue your walk experience is to be part of a share group. I was fortunate to be encouraged to join a share group by my sponsor and other men at my church immediately after my walk. In an Emmaus share group you can talk with other men or women that have been on a Walk. You can have the same type of discussions that you had around the table on your walk. You can provide encouragement to each; you can hold each other accountable. You can share with Christian brothers and sisters that understand both the challenges in your life and the true blessings. You can be an example to the others in your group, or perhaps learn from others' example.

You can't go on your walk again, but you can continue to experience the joy, love, and grace of your walk through serving others and through being in a share group. May Christ be with you in all of your fourth days!

DeColores!

Your brother in Christ,
Michael Haney
Newsletter Chairperson

Would You Like to Continue to Receive the Rooster?

Every pilgrim receives the Rooster for free by mail for one year after their walk. After that, in order to receive the Rooster by mail, we ask that you fill out a form and let us know that you would like to continue to receive it. Our hope is that you will be willing to receive it via e-mail, this is a substantial cost savings to your community. You can do this in two ways:

1. By going to www.centralohioemmaus.org and clicking on the Rooster in the bottom right corner of the page
2. You may also pass along your wishes by filling out the form below with name, address, e-mail etc.

If you haven't been receiving the past mailings, it probably is because we don't have your proper address. We ask for your help to correct any errors with this form. You can help additionally by making sure your friends get updated in this process. Thank You in advance for your help!

NOMINATIONS NEEDED FOR 2006 EMMAUS BOARD

As you may know, our Emmaus community has an Administrative Board that manages the affairs of the community. Some of the positions come open each year on a rotating basis. To fill these positions we seek nominations from the Emmaus community. This year the following positions are coming open:

- Agape Chairperson
- Chrysalis Chairperson
- Epiphany Chairperson
- Kairos Chairperson
- Kitchen Chairperson

Each of these positions is vital to the life of the community, and each requires a person that is willing to dedicate the time and effort necessary to fulfill our community's mission to bring the good news of Christ to the world. If you have any questions about the duties of a particular position, please email the Community Lay Director, Clay Bauserman. If you know of a member of the community that could serve in one of these positions, also please contact Clay Bauserman by phone or email.
