The 2001 American Heritage Dictionary defines agape as “love revealed in Jesus, seen as spiritual and selfless”. The Bible abounds with countless examples of agape.

Pilgrims who have completed an Emmaus Walk can readily attest to the spiritual aspect of agape. It was in 1994, when I attended Central Ohio Emmaus Walk #44, that I first became aware of the term ‘agape love’. The act of preparing all the meals, furnishing table and bedtime gifts, and in general responding to our every need made the term real! I was impressed then and remain in awe of the time and effort given by this community to each and every Walk.

As a member of the Emmaus board, I have the opportunity to see not only the visible tasks that go into a Walk but also the “behind the scenes” activities. Thanks to each of you for your participation in bringing Christ to others through your acts of ‘agape love’ however, there is another form of this love that needs to be addressed, that is: the financial aspect.

The \$50 fee to attend a Walk does not cover the total expense of the Walk for an individual however; because of generous donations we are able to keep this fee in place. These donations come mainly from the collection at Candlelight, and individual gifts. Some suggestions for giving can take the form of memorial remembrances, birthday celebrations, thank yous, Christmas presents, the list is endless!

No amount is too small or (too large!). A check can be sent to Central Ohio Emmaus Community, designating to whom we should send an acknowledgement. The amount will NOT be shown.

How fitting to foster ‘agape love’ by the selfless act of helping others grow in God’s love. Please prayerfully consider how you are being called to help.

God bless you,

Janet Sheehan  
Treasurer
